

## Aloha Bible Study: Being Welcomed and Worthy

In our Bible study today, we are talking about our theme of *Aloha* and welcoming. In our reading for today Jesus shows us that all are welcome at the table, and even if you don't feel like you are worthy, you are still welcomed to His table with open arms. For this activity, write down the things you are insecure about, take a moment to look over your list when you are done and realize that even if you are insecure about these things, God welcomes us. Then, we are going to change those negatives into positives by shifting the way we think about them. (ex. I'm shy -> I'm intentional about who I choose to talk too)
