Sí, Se Puede – Call to Love

Jesus calls us all to love our neighbors as ourselves, and that expectation can be a little daunting and scary sometimes. Not only that, but it can be a little confusing as well. Just who is our neighbor? And how are we supposed to love them? We have put together some discussion questions for you to reflect on this. You can answer them on your own or share these questions with your family or friends and have a discussion about them!

1. **Who is your neighbor?**

2. **What is your love language? How can you use this information to put your love into action? Here's a link to the test: www.5lovelanguages.com/quizzes/teen-quiz/**
